- **Cookies last 30 days.** This means that if someone clicks over to our website from your affiliate link, the software remembers the origin of the referral for the next 30 days. So if they don't buy the course immediately, but login a few days later to pay - you will still get credit for that sale!
- **Payouts happen after your referral has paid in full and is past the refund window.** In order to give leeway for our cancellation policy, we must wait to pay you out until all referral payments are paid in full and are no longer able to receive a refund. Full payment referrals are complete 3 weeks into the course. Payment plan referrals are complete 5 days after the final payment. We appreciate your patience!
- **PayPal is our preferred method for payouts.** For ease of money transfer we prefer to use PayPal to send you your commission. If that is impossible, please let us know and we will find another method of payment.

How To Use Your Affiliate Links

As an Affiliate Partner you will have your own unique affiliate link to use when you promote this course to others. **Copy your unique affiliate link and save it!**

1. To find your affiliate link, [login to the Affiliate Area](#) and click on the “Links” button which will guide you to the page with all your promotional assets.
2. Your unique affiliate link will look something like this:
www.relationshipessentials.org/?affiliates=##
(this ## is your unique affiliate code)
3. When promoting the course you can post your affiliate link in text messages, emails, social media posts, in messenger, etc.
4. If you want to create a shorter link, you can use a link shortening product like: bit.ly - tinyurl.com - goo.gl - buff.ly (your affiliate tracking will still work).
5. In order to get credit for your referral, your friend must click through your affiliate link and place their order for the course online.
6. If your friend does these steps and you do not see the commission on your analytics page, ask your friend to let LCA know that you referred them.

Creative Marketing Ideas for a Successful Affiliate Partnership

- **Have enrolling conversations.** Speaking face to face, over the phone or on skype video is much more powerful than just posting a link.
- **Host a dinner party or luncheon.** Invite family and friends that you think would find value in our course. Play some of the LCA youtube videos or guide the group in a connection exercise. Scott and Debbie would be open to “zoom-ing” in live to your dinner party to meet your guests and answer questions if you plan in advance.
- **Share personal testimonials.** Your experience is the best marketing tool you have. Share a vulnerable challenge you once had in a relationship and how the tools of LCA and this course transformed your relationships.
- **If you are a Love Coach, coach others.** Give them a taste of this amazing work. Offer a free 15 minute session. Then enroll them into the course.
- **Write a personal email.** We offer an email template below to use, but it is best if you write it in our own words. Follow up interest with a phone call.
- **Send a newsletter blast.** If you have an email list for your business, write a compelling newsletter announcing the course with your link.
- **Share a LCA video.** Seeing Scott in action is the best way to promote the work. Include your affiliate link in the text.
- **Blast it on social media.** Post your link with some compelling copy. We offer several social media copy templates below.
- **Post in your blog or on your website.** We have a few images to choose from in the banner gallery. Be sure to use your affiliate link in posts.
- **Followzzzz up with potential leads.** Sometimes people need time to dwell before making a large commitment. Be supportive (not pushy) and check in on them from time to time.
- **Be authentic.** Speak from your heart. Be honest. Use your feelings and needs sheet. Live the work. Be a heart ninja. Show the world what is possible when we communicate with empathy!
